

COVID-19 EU Briefing 20 July 2022

The new Weekly EU COVID-19 Briefing will include recent developments from the EU on treatments, vaccines and high-level announcements as well as important restrictions updates on a Member State level.

General EU Developments

International:

- **Spain:** Entry restrictions due to covid have been extended for all travellers from third countries for another two months until 15 September 2022.

Domestic:

Cyprus: The government decided extension of vaccination against covid-19 with a 4th dose with an mRNA vaccine, to persons with chronic underlying conditions. The Ministry of Health called upon all citizens to comply with the measures of personal protection (mask, distance, hand hygiene) and recommended that all citizens undergo a self-test before and after visiting crowded spaces.
